Re: United States v. Radhakrishna Pillai

*Misc. Duty*  
*12/8/05*

Dear Judge Amon:

I write to you as the District Court judge on duty this week on behalf of Radhakrishna Pillai the above referenced defendant. Mr. Pillai was sentenced by Judge John Gleeson (who is not available this week), on March 27, 2004 to six months of incarceration, two years of supervised release and 200 hours of community service. Mr. Pillai has completed the terms of incarceration and community service and has adhered to all the other conditions of supervised release.

Mr. Pillai requests permission to travel to Kerala, India to visit his elderly and ailing Mother. If permitted Mr. Pillai would travel on or about December 13, 2005 and return two months later. Mr. Pillai's mother is 81 years old and suffers from a variety of ailments. She lives alone. Judge Gleeson has previously allowed Mr. Pillai to visit his mother in India for six weeks when she had Cataract surgery. If permitted to travel, Mr. Pillai would reside with his mother at her address: Shanmuka Preya Thalavada, Kerala India Tel (477) 221-2466.

I have discussed the travel plans with United States Probation Officer Ivan Ruhnke (212) 631-712-6331 and he consents to a one month visit only by Mr. Pillai.

Should the court allow Mr. Pillai's request, it is respectfully requested that the court direct Pre-trial services to release Mr. Pillai's passport to him.

Respectfully submitted

Donald D. duBoulay
